What is the guarantee of my product? Q: Could the Sit n stand be used for more than 2 children? A: Yes, by releasing the height adjustment to the end until Walker is flat. Once the car seat is secure in the carriola, place the safety straps through the carBelt opening in the car seat. Don't iron. Press the Tray's release handle and slide the tray over the Q armrests: Is the dishwasher safe from the tray? Currently the Sit n Stand shopper has the option to add a seat. Q: How will my order be sent? A: The car seats that are approved by FAA are listed in the car seat labels and/or manual. A: Not all 3-wheel walkers are equipped to run. Classic high chairs do not have a minimum weight, but recommend that the child be able to sit on his feet without help before use and up to 40 pounds. Most runners have a housing nut. If the figure in 42-2 does not match the illustration below, please neglect this letter. Owner's Manual Download: Seat ally 35 baby car Q: My Ally 35 Car Seat "base" recumbent grip was pushed in, what should I do? (22.67 kg) Q: My stroller is compatible with your Rider-On Stroller Board? This is located under the front and connects the rotary fork with the frame. Recommend cleaning fabric materials using a wet cloth with mild soap and warm water IMPORTANT: Do not dip the mattress in water. Send us an email to weborders@babytrend.com for the order status. Q: Could the bounce be used on the carpet? A: P. What is the recommended age for using the stroller? Avoid direct sunlight as this can deform the plastic. A: Go to the menu options at the top of the website and select the support drop-down menu. We do not send to international or U.S. territory. Recommend NOT to use an air compressor as it can over-inflate the wheels. Dry air. Check the front wheel hardware is properly mounted and adjusted. The strap is not meant to be used as a harness does not place: discontinctive use of the walker if the child tries to leave and can walk without help or has reached 30 pounds. most cars have an adapter bar included. a: to cancel your order, please send us an email first at weborders@babytrend.com we will doTry to cancel your order. Use the reference below or contact the Customer Service for help at 1-800-328-7363 All baby trending children seats Convertible Protect Trooper Hybrid with harness (stage only 1) Q: Should I replace the car seat if you had a minor accident? Do not use mower pads in the tray insert, as it will damage the surface and the tray insert will be harder to clean. Let us help you further reduce your decision with this list of the top 10 cars. A: No, not all our little cars are designed to accept a seat for the car. To register your car seat or travel system or other products, or download the baby's trend application through your Google Play store or in the P app: What trend products are in retirement? A: The additional seat or canopy may not be available for your Sit n booth. Q: The wheels in my corridor will not have air. To clean the frame of the car, just use soap and soap. A: If the canopy is attached to the carriage, remove the canopy. Q: Where do I find my instruction manual? Q: What are the cleaning recommendations for my broker? (See the proper removal of the damaged or expired seat). Q: How do I check if my tire is damaged or just need air? Do not place another order until you contact us about the state. A: Destina the use of the seat immediately after an accident. Plastic parts can be cleaned with a wet cloth. Model types may vary by reviewing your instructions details or communicating with the customer service for additional help at 1-800-328-7363 Cover: machine wash with cold water, soft cycle.
