Thinking of others quotes

(Photo by Myriams-Fotos on Pixabay)If I could magically fix one thing about myself, it would be to have Teflon-like armor against what others think of me — or, more accurately, what I think others think about me. We are often our own worst critics and can project our feelings when evaluating...Page 2(Photo by Myriams-Fotos on Pixabay)If I could magically fix one thing about myself, it would be to have Teflon-like armor against what others think of me — or, more accurately, what I think others think about me. We are often our own worst critics and can project our feelings when evaluating... List of top 68 famous quotes and sayings about thinking of others first to read and share with friends on your Facebook, Twitter, blogs. Top 68 Quotes About Thinking Of Others First **#1.** Let's see, I think I right now I'm third in the money-winning and first in money-spending. - Author: Tony Lema **#2.** The first two drinks were always wonderfully liberating. You think better. You're braver, and you'll say anything. If you could just hang in there with two or three, it'd be beautiful. The trouble was I couldn't. - Author: Barry Hannah **#3.** I work a lot, and it's kind of like, you meet people, and you just click. It's not like I'm looking at something and thinking: 'South Park' - how do I get on that?' I just became friends with those guys first. They're nice guys. - Author: Bill Hader **#4.** The first thing that has to be broken down is your relationship to authority. Your insecurity could possibly be the wedge that opens up your perspective on what you think is possible for you to do. - Author: Ross Bleckner **#5.** Find yourself first ... like yourself first ... love yourself FIRST ... & friendship & love will naturally find YOU. - Author: Mandy Hale **#6.** So the fact that the first movie about Steve Jobs was made by a guy who was completely entrepreneurial and outside the film industry, I think is very appropriate. - Author: Joshua Michael Stern **#7.** I remember my first lecture on my first day in evolutionary biology, how populations and species change. I sat thinking, 'Why doesn't everyone know this?' I look back on it almost in horror: I came so close to not knowing how exciting our world is. - Author: Elise Andrew **#8.** I think our concept of revolution, in terms of getting the power to do things, is too focused on the state. We have a scenario of revolution that first, you know, comes from 1917, that first you take the state power, and then you change things. And we don't realize it's collapsed. - Author: Grace Lee Boggs **#9.** Not that I've noticed." She looked down at my gun. "What a nice Glock. My sister carries a Glock, and she just loves it. I was thinking about trading in my .45, but I couldn't bring myself to do it. My dead husband gave it to me for our first anniversary. Rest his soul. - Author: Janet Evanovich **#10.** A teacher, therefore, who would think that he could prepare himself for his mission through study alone would be mistaken. The first thing required of a teacher is that he be rightly disposed for his task. - Author: Maria Montessori **#11.** The problem with all-or-nothing thinking is that it stops people even taking the first steps. The thought of never having pepperoni pizza again somehow turns into an excuse to keep ordering it every week. - Author: Michael Greger **#12.** I think the first word of caution is; It's not the kind of market where you need to jump in immediately on these downs. We've trained investors so much over the past decade and a half: Buy the dip, buy the dip. - Author: Liz Miller **#13.** Up a set and 2-0 It's definitely a situation where a little match practice would've helped, so I'm disappointed but think I can take some positives from the first set and the start of the second. - Author: Mark Philippoussis **#14.** I think of language as our first music. - Author: Yusef Komunyakaa **#15.** I think that is also something he [Barack Obama], in the beginning of his presidency, he couldn't really explore and couldn't show. He had to be almost a one-dimensional, stoic leader during that first election. - Author: Jordan Peele **#16.** First, I think of myself as a brand, a businesswoman. Musician is something I just do because it's my passion. - I love it and it's something I do for fun. I love music and I love to make people dance. - Author: Paris Hilton **#17.** And that was always our plan. Do well in the first three states, and then compete and have a very strong night on Super Tuesday. I think we're ideally positioned to do exactly that. - Author: Ted Cruz **#18.** The right idea is the one you can't stop thinking about; the one that's in your head first thing in the morning. - Author: Jodi Picoult **#19.** A closed mouth gathers no foot.A conclusion is simply the place where someone got tired of thinking.A fool-proof method for sculpting an elephant: first, get a huge block of marble; then you chip away everything that doesn't look like an elephant. - Author: David Gries **#20.** I think Eleanor Roosevelt's so popular at Allenswood because it's the first time she is, number one, free. But it's the first time somebody really recognizes her own leadership abilities and her own scholarly abilities. - Author: Blanche Wiesen Cook **#21.** When you fall in love for the first time, you're naive to every feeling that you're feeling, and you're almost obsessed with or addicted to that person. Your life is consumed by them, and everything you want to do revolves around them. I think it's great. - Author: Alex Pettyfer **#22.** I think that's who you should be servicing as an actor is the fans. You don't wanna alienate new people from coming in, but you gotta first and foremost service your fans. - Author: Krysten Ritter **#23.** Sexism goes so deep that at first it's hard to see; you think it's just reality. - Author: Alix Kates Shulman **#24.** I think the first and most important thing is that you've got to have a goal and a vision. - Author: Arnold Schwarzenegger **#25.** Oh, absolutely. James Caan was the first movie star I'd ever met, much less worked with. He was an important person to me and my brothers and Wes. Bottle Rocket was the first movie for all of us. As you know, back then, [Caan] was having some career changes, I think. - Author: Luke Wilson **#26.** I think pretty much all people who love each other had some kind of thing at first sight. I mean, there has to be some kind of moment where you, like, feel a different energy around someone. - Author: Robert Pattinson **#27.** Dream and deed are not as different as many think. All the deeds of men are dreams at first, and become dreams in the end. - Author: Theodor Herzl **#28.** It [his brothers assassination] made Robert Kennedy, a man unprepared for introspection, think for the first time in his life, what he wanted to do, and what he stood for. - Author: Jack Newfield **#29.** Why are people so afraid of thinking? Why don't they ever leave time to reflect? There's nothing wrong with tranquility; nor emptiness, vertigo, or even unhappiness. I think that these things are the first steps to precede the birth of a new thought. This is why I like to read. - Author: Almudena Solana **#30.** Something had changed in me, even if I didn't know what it was just yet. All I could think was that I felt alive for the first time. - Author: Sarah Dessen **#31.** The first hit on the nervous system is the one I'm most interested in, because I think if you hit the reader emotionally, the reader can't guarantee the lessons they would like to learn. - Author: Fred D'Aguiar **#32.** Men=earthbound creatures, living in communities, endowed with common sense, sensus communis, a community sense; not autonomous, needing each other's company even for thinking ("freedom of the pen")=first part of the Critique of Judgment: aesthetic judgment. - Author: Hannah **#33.** Though we don't have a cure for cancer we at least have stopped being too ashamed to even say the name of the disease - and the trajectory of the AIDS epidemic is edifying, isn't it? Shame shuts down productive thinking, and I'd like to open the doors. It's a first step. - Author: Laura Mullen **#34.** Music, first of all, is completely about abstraction, which is exactly what architecture is not. In a way, it has been incredibly constructive to know what true abstraction is. So you don't fall into the trap of thinking that what you do is abstract. - Author: Rafael Vinoly **#35.** I wanted my first film to be something where I was surrounded by an amazing cast. I wanted to do something that was completely unexpected, totally out of the box, something that would blow people's minds, that the last thing on the planet earth they would ever think I would do would be it. - Author: Alicia Keys **#36.** I leaped my back against an oak Thinking it was a trusty tree. But first it bent. And then it broke And let me down as my love did me. - "The Water Is Wide," traditional folk song - Author: Jill Barnett **#37.** I'm ALIVE. Thinking about it, noticing it, is new. You do things and don't watch. Then all of a sudden you look and see what you're doing and it's the first time, really. - Author: Ray Bradbury **#38.** In the first place, it must be remembered that our point of view in examining the construction of a play will not always coincide with that which we occupy in thinking of its whole dramatic effect. - Author: Andrew Coyle Bradley **#39.** Most people think that when it's time to buy a car, they should immediately go to the dealerships to find what they want. In reality, there's a lot of planning that should be done first. - Author: Donna Kane **#40.** I think that first nights should come near the end of a play's run-as indeed, they often do. - Author: Peter Ustinov **#41.** My dad was a musician, and that was his first love, and I think probably, to be really honest, it was my first love as well. - Author: Kim Basinger **#42.** I remember the first article I ever wrote, and I saw my name in the paper, and I already knew I was undocumented, and I was thinking: 'How can they now say I don't exist?' - Author: Jose Antonio Vargas **#43.** My husband doesn't like to fly. He does fly now because he doesn't want our daughter to grow up thinking he is a Don Knotts character. But when we were first married, he didn't fly. - Author: Tina Fey **#44.** The first move of leadership is learning to think for yourself. - Author: Robin Sharma **#45.** I became aware of a voice inside my head. [...] It was only later that I realized that this voice was my own thinking, that this moment of anguish was my first inkling that I was a ceaseless monologue trapped within myself. - Author: Yann Martel **#46.** I think the common elements first are that, basically, we are entering markets or in markets that are deregulating or have recently deregulated, and so they have become competitive, moving from monopoly franchise-type businesses to competitive, market-oriented businesses. - Author: Bill Vaughan **#47.** Before birds get sucked into jet engines, do they ever think, Is that Rod Stewart in first class? - Author: Eddie Izzard **#48.** I wish I could read my books over for the first time to see what you guys see. - Author: Shandy L. Kurth **#49.** I think that when I first suggested the idea that knowledge should be viewed as a natural kind, many people thought this was just crazy. - Author: Hilary Kornblith **#50.** We may divide thinkers into those who think for themselves and those who think through others. The latter are the rule and the former the exception. The first are original thinkers in a double sense, and egotists in the noblest meaning of the word. - Author: Arthur Schopenhauer **#51.** Truly the Filipino rises to his finest self during trying times, the more trying the times, the finer the rising. Or it is in times of disaster that the Filipino ceases to be a disaster, thinking of others first before self. - Author: Conrado De Quiros **#52.** Motto for a research laboratory: what we work on today, others will first think of tomorrow. - Author: Alan Perlis **#53.** Was he the epitome of virtue because he was poor? How had it been in the village? There was foul gossip and cussedness anywhere in the world where small men had to think of their stomachs first before thinking about others.-Istak - Author: F. Sionil Jose **#54.** You might argue on utilitarian grounds that the best way for the world to work is for everybody to take care of themselves first. And people have made that argument. But I just think we would be so much better off if we could care for distant others even a little bit more. - Author: Paul Bloom **#55.** We cannot think of uniting with others, until after we have first united among ourselves ... One can't unite bananas with scattered leaves. - Author: Malcolm X **#56.** Minds are of three kinds: one is capable of thinking for itself; another is able to understand the thinking of others; and a third can neither think for itself nor understand the thinking of others. The first is of the highest excellence, the second is excellent, and the third is worthless. - Author: Niccolo Machiavelli **#57.** You have to think about good storytelling and characters first. Then hopefully, the rest of that stuff will follow, which more than others. But if you don't have a good film and strong characters, then you don't have anything down the road. - Author: Pete Docter **#58.** St. Francis Borgia says that he who desires to consecrate himself to God must, in the first place, trample under his feet all regard for what others will say of him. O my God, why do we not ask what Jesus Christ or his holy mother will think of our conduct? - Author: Alphonsus Liguori **#59.** She had fit him into a one-dimensional mold during their first meeting, and had done so with ease. Langston, too, How many others had she judged and set aside like that, thinking them no more than a one-sided piece of paper? - Author: Charlie N. Holmberg **#60.** I very much love a physical book myself. I think people who have had this experience of also seeing a book come together, from sitting down and writing the first word, to holding the binding in your hand, we have a deeper sentimental attachment to it than others might. - Author: Edwidge Danticat **#61.** I think art parallels life; it is not a report on nature or on intimate disclosure of inner secrets. Color, in my opinion, behaves like man in two distinct ways: first in self-realization and then in the realization of relationships with others. - Author: Josef Albers **#62.** The "18/40/60" rule to happiness:At age 18, people care very much about what others think of them.By age 40, they learn not to worry what others think.By age 60, they figure out that no one was thinking about them in the first place. - Author: Daniel Amen **#63.** The most difficult of enterprises is to secure the cooperation of others in enterprises those others did not think of first. - Author: Murray Leinster **#64.** There is a magnet in your heart that will attract true friends. That magnet is unselfishness, thinking of others first; when you learn to live for others, they will live for you. - Author: Paramahansa Yogananda **#65.** Success-minded people know that first and foremost, in all we do, we must think of others first. By thinking of others, how they feel and what they need, will not cost you a thing nor will it lessen what you have to say. - Author: John Patrick Hickey **#66.** For the first time in six months, she wasn't thinking of her own misery. She was thinking of others - and how to make their misery worse. - Author: G.A. Aiken **#67.** I think it is important to approach others comfortably. Instead of blaming others (for not having any friends), try looking back at yourself first. - Author: Yesung **#68.** I think my first big heartbreak made me more compassionate about other people's heartaches. It enabled me to feel more for others when they are in moments of pain. - Author: Kerry Washington Famous Authors Popular Topics
