Formerly known as Project W and A: IR (short for Ascent: Infinite Realm), Elyon is a new steam-punk MMORPG powered by Unreal Engine 3 from the creators of TERA, which has been in development for several years. Both on earth and in the sky. The gameplay takes place both on earth and in heaven. Personal aircraft are of key importance, serving not only as transport, but also as a means of pumping and interaction. The player can own a personal ship and fight on it. It is also possible to participate in PvP and PvE events as a crew member of a huge factional ship. In addition to ships, the players have at their disposal wingsuits, gliders, jetpacks and ground vehicles. As for the characters themselves, users can choose from several races and standard classes, and then go to develop the hero in various dungeons, locations or, as mentioned above, in battles in the sky. Elyon: IR Ascent Infinite Realm PC Full Version Game Free Download. Features: As stated above, Elyon is an RvR (Realm vs Realm) MMORPG. The developers promise unique battlefields that allow you to combine various tactics and mechanics, including ground and air battles on behalf of the hero, the use of clan and personal ships, guns, vehicles, military equipment, mines, etc. Players can plan strategic landings using gliding and jetpacks and more. Aircraft can be modified, which means changing the type of aircraft, the number of passengers, its appearance, etc. The game also includes a variety of other features, such as the ability to customize your surroundings, difficulty, and even create quests. They did not forget about the system of home ownership with land plots. Elyon: IR Ascent Infinite Realm PC Full Version Game Free Download. The combat system is worth mentioning separately. Initially, it was performed as a target, that is, players had to choose a target and only then use a combination of skills. But on April 1, 2020, the developers decided to switch to the non-target system, which is used in Tera. In general, before you are another potential hit in a beautiful wrapper with a fairly standard set of features collected from popular MMORPGs. Various air and ground bosses, a cycle of changing seasons, fishing, summons and pets, mass PvE events, mass PvP battlefields and ... popori (!) Are waiting for you.
